Volunteers Clear Up Mokena Storm Damage

Some 50 public spirited residents of the community made Labor Day a day of toil to aid the village in clearing away remnants of the storm damage.

Not all of the workers lived within the municipal limits of Mokena. Several of them were from outlying areas but they wanted to help and help they did. Also making a large contribution to the project were owners of trucks and high lifts who put such machinery at the disposal of the village.

Members of the village board, including Mayor Eric G. Book, turned out and turned to and by the end of the day the streets were cleared of branches and tree trunks broken by the storm of Aug. 26.

The village had spent \$1,000 in clearing up some of the debris but lacked the money to proceed on such basis. It was then that the board sought volunteers and the village is grateful for their response, Mayor Book said.

He also urged householders to aid by clearing up the leaves and small twigs and branches that still litter

NOT FRANKFORT CASUALTY

Last week-end there was a news dispatch to the effect that a David Gill, son of Lester Gill, Frankfort, had been killed in Viet Nam. There is no Lester Gill in Frankfort township nor have the Will county draft boards any record of anyone from Will county named David Gill being in the service. It is possible the town should have been West Frankfort, which is in Southern Illinois. News services are known to confuse Frankfort, and West Frankfort.

some sections. Such litter, it was pointed out, can be disposed of without too much effort.

Highway Commissioner Walter Yunker, using a high lift, took charge of the grounds adjoining the sewage disposal plant, where the trucks brought load after load of heavy branches and tree sections. He succeeded in packing the lot into a space about a block long, to await later burning.

This volunteer clean-up saved the village thousands of dollars, according to Mayor Book.

Richard Muehler, 55, Mokena, Dies Suddenly

Richard Arno Muehler, 55, operator of the tavern bearing his name in Mokena for the past 21 years, died suddenly Tuesday morning at his home, 11034 Front st. He apparently suffered a heart attack and while an inhalator crew from the Mokena volunteer fire department worked long, efforts to revive him were unsuccessful. He was pronounced dead by Dr. P.T. Demus.

Born in Germany, Dick Muehler, as he was always called, had been a resident of Mokena for the past 42 years and his tavern was the hub of many activities.

His father, Martin Muehler, and his stepmother, Wilhelmina, were killed in an automobile accident at Cass and Walnut streets, Joliet, in June, 1947.

Besides his wife, the former Eleanore McMahon, Mr. Muehler is survived by a daughter, Sister Patrick

Annexation

Should Mokena embark on a program of annexation?

That is a question to be discussed at the next session of the Mokena Chamber of Commerce. The meeting is scheduled for next Thursday night, Sept. 16, at 8 o'clock in the VFW hall on Wolf rd.

Ronald Galowich, village attorney for Mokena, will be the speaker. He is expected to review some of the statutes pertaining to annexation as involving municipalities and point out the advantages and disadvantages resulting from annexing territory.

Col. Frank Grey, head of a realty firm bearing his name, the president of the Mokena Chamber is inviting all residents interested in annexation and its problems to attend the meeting

Anné, O.S.F., now a teacher at Sacred Heart high school east of Mokena, and a son, Richard, of Mokena. Also surviving are five brothers and three sisters, Max, of Itasca, Ill; Ludwig, of Dolton; Walter, a member of the sheriff's staff of deputies; Willy, real estate and insurance dealer, and Hans, a member of the Mokena village board; Bernice, Mrs. Glenn Schroeder, Frankfort; Marguarite, Mrs. Ray Gasper, of Aurora, and Hertka, Mrs. Emmet Rogers, Mokena.

Removal was to the Gerald Dames and Sons funeral home, 309 Sherman st., Joliet, from where services will be held Friday morning at 10 o'clock to St. Mary church Mokena at 10:30, interment will be in Resurrection cemetery.

Friends may call today between 2 and 5 and 7 and 10 o'clock.

PACKING IT IN--Township Highway Commissioner Walter Yunker used the Labor Day holiday to take time off from his regular duties to give fellowtownsmen in Mokena a hand with their mop-up of storm debris. Tons of branches, and tree trunks were hauled off the streets Monday to the village property north of the sewage treatment plant. There Yunker used a high lift to pack it into a compact heap about a block long, and there is still room for more. (Graphic Newspapers photo)

Public Schools Of Area Have 4,013 Enrollment

With the area public schools having their official opening last week the registration of pupils totals 4,013.

This figure serves for Lincoln - Way high school and the five underlying grade school districts, New Lenox, Mokena, Frankfort, Arbury Hills and the Ann Rutledge school at Lincoln Estates.

School officials expect this number to show an increase over the next several weeks as late comers to the area send their children to school.

In the past the Lincoln - Way high school enrollment was the largest in the area but not this year.

Enrollment at Lincoln - Way last Friday was 1,130 while the total in the New Lenox grade school system was 1,475. The New Lenox district has been considerably increased in size the past several years thru the annexation of former outlying districts.

New Lenox has a new school, adjacent to the Oakview building, that is in operation this fall and school officials hope they have time for a few deep breaths before they have to think of building again.

Mokena's beginning enrollment is 561 and board members and administrators find they must embark

on another building program if they are to be able to house the pupils they can expect to have in 1967, according to Supt. James Ennis.

Frankfort has a present enrollment of 387 but with the new school in Connecticut Hills it has no construction program facing the district for the time being.

Arbury Hills with an enrollment of 317 is facing another building program, despite its recent addition.

Ann Rutledge has an enrollment of 143.

Breaking registration down into classes Lincoln - Way high has 324 freshmen; 298 sophomores; 280 juniors and 228 seniors for its 1,130 total. Last year the enrollment was around 1,050. There are 25 more in the freshman class this year than last.

In the New Lenox system the 1,475 pupils are divided as follows:

Kindergarten, 215; first grade, 204; second grade, 196; third grade, 181; fourth grade, 156; fifth grade, 147 sixth grade, 129; seventh grade, 133 and eighth grade, 116.

At Mokena the 561 pupils are allocated as follows:

First grade 70; second grade, 80; third grade, 81; fourth grade, 64; fifth grade, 91; sixth grade, 62; seventh

grade, 54 and eighth grade 59. Last year the enrollment was 505.

Broken down into grades at Frankfort, where the enrollment total 387:

Kindergarten, 36; first grade, 36; second grade, 56; third grade, 41; fourth grade 44; fifth grade, 46; sixth grade, 44; seventh grade, 40 and eighth grade 44.

At Arbury Hills the 317 pupils are divided thus:

First grade, 52; second grade, 60; third grade, 48; fourth grade, 48; fifth grade, 38; sixth grade, 25; seventh grade, 24 and eighth grade, 22.

The 143 enrollment at Ann Rutledge is divided as follows:

First grade, 20; second grade, 16; third grade, 20; fourth grade, 15; fifth grade, 25; sixth grade, 17; seventh grade, 14 and eighth grade, 16.

Mokena Schools Ask O.K. On \$280,000 Bond Issue

Voters of the Mokena grade school district will be asked to approve a \$280,000 bond issue in a special school election Sept. 25. They also will pass on the question of increasing the educational fund tax rate.

Announcement of this election was made last week but the amount of the bond issue was not given then because it was not decided what it would be. At that time the board of education had hopes of a grant from the Illinois school building commission which would enable the district to erect a junior high school and could be paid back like rent and without interest.

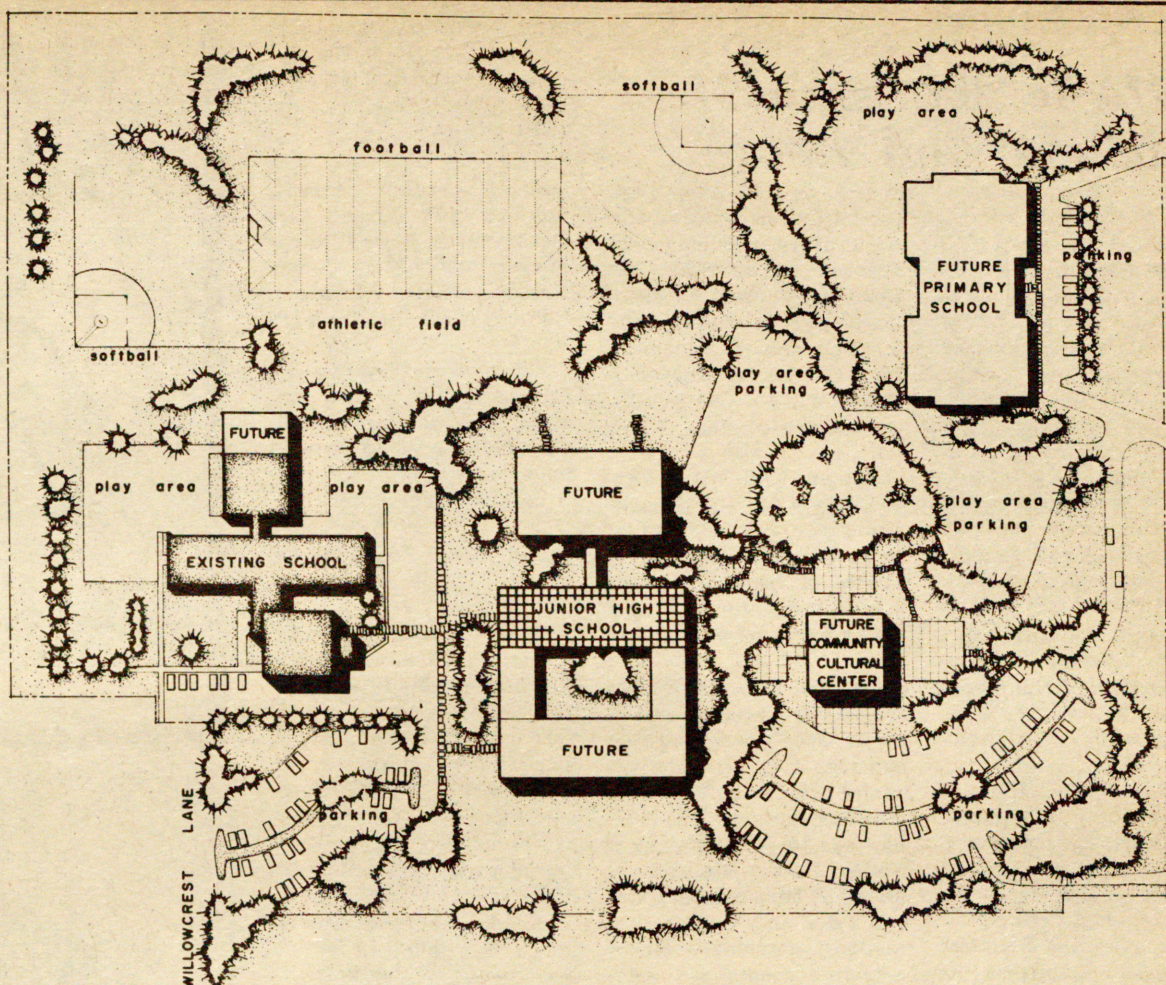

The board learned last week - end that at the present time it does not qualify for commission help in building a junior high school. However, it may qualify in another two or three years.

The board has a long range plan for a grade school educational and cultural program and hopes for assistance by the state in the eventual completion of construction. Meanwhile it would like to get the first phase of the junior high school building started so it will be ready for use by September 1967, according

to Supt. James Ennis, when it will be needed.

The \$280,000 bond issue would enable the board to purchase approximately 21 acres adjoining the Willowcrest school property and get a junior high school started, it was stated. The land cost will run to approximately \$53,000. From prices of acreage in the area this price of \$2,550 per acre is considered very reasonable. The exact acreage is 21.41 acres and the price \$53,525.

The other proposition to be submitted to the voters would increase the educational fund tax rate from 86 cents to \$1.07 per \$100 of equalized assessed valuation. While the board does not expect to take immediate advantage of the 21-cent increase it is expected that that it will be employed in it over the next few years and some of it would be used next year. The educational fund is used to pay salaries and the operating expenses of the school and the present rate doesn't produce sufficient revenue to meet the purposes, it was explained. The enrollment has been growing steadily and it has been necessary to employ more teachers.

Adams, CSHS Cage Coach, Named To Century Club

Coach Bill Adams, basketball mentor of Carl Sandburg high school, was named an award winner recently by the Sports Trail Century club, an organization sponsored by the Bike division of the Kendall Company, to foster community recognition of the contributions made by dedicated athletic coaches throughout the United States.

Coach Adams was made an honorary member of the Century Club for his record of 139 victories in basketball games.

The club is an honorary group open to all college and

high school coaches whose teams have won 100 or more contests in any sport. It was originated some 20 years ago by high school coach William Matthei, of Milwaukee, Wis., who asked that Sports Trail honor outstanding coaches "because their efforts result in good citizens."

"Successful coaching of athletic teams develops in young men a strong competitive spirit, an abiding appreciation of fair play and a

sense of responsibility," said R. H. Neilson, director of the club and a Bike executive. "The characteristics that make a winning team are the same ones that build better citizenship."

Neilson pointed out that, altho a few coaches receive widespread recognition and praise, many others, like the current award winner, deserve to be honored by their communities for their dedication and achievements.

Punt, Pass, Kick Contest Is On Oct. 9

All boys, ranging from eight to 13 years of age are invited by Cooper Show Ford of Frankfort to enter the annual Ford dealers' punt, pass and kick competition.

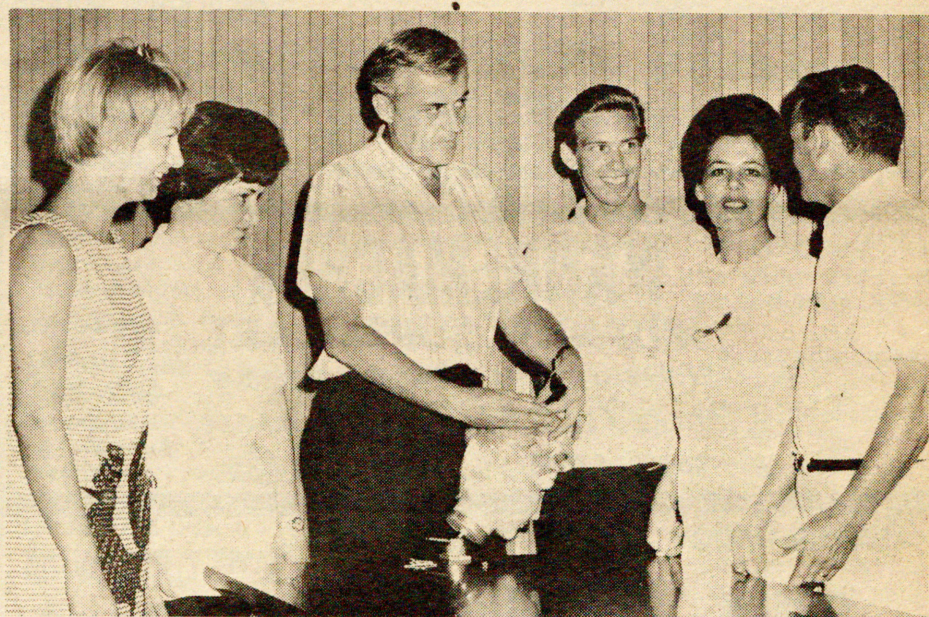

Eighteen prizes are offered in the contest sponsored by Cooper Show and any of those who are successful in moving up will have a chance at other awards.

Nothing to buy. All a youngster has to do is bring his dad to Cooper Show Ford and register. When one registers he gets a free PP & K Tips booklet written by National Football League stars Bobby Walden, Frank Ryan and Jim Bakken. They led the NFL in punting, passing and kicking last year.

Those taking part in the fun also get a PP & K pin free.

In punt, pass and kick competition there is no body contact. One competes against boys of his own age.

The competition is to take place in Frankfort Community park on Saturday, Oct. 9, beginning at 11 a.m.

Bank Officers Attend Course At So. Ill. U.

Stanley E. Baudry, Mokena State bank, and James P. Walker, of the Frankfort State bank are among 148 junior bank executives attending the 1965 Illinois Bankers School at Southern Illinois University's Carbondale campus.

The ten-day course, which started Aug. 30, includes studies in economics, fundamentals of accounting, municipal and corporate bonds and their place in a bank portfolio, accounting records, bank operations and control, Federal income taxes, public relations, real estate lending, agricultural credit, and other bank-oriented subjects.

Graduation speaker Friday (Sept. 10) will be Hollis W. Burt, vice president of the National Association of Supervisors of State Banks. The course has been conducted annually since 1953.

Specialists from the banking industry and from the SIU faculty form the instructional staff for the school, which is divided into first and second year courses.

ITS NAME is Stinky but he or she--as the case may be--really isn't. Born of a domesticated skunk and descended, Stinky, now two months old, is the pet of Robert Holman, 111 Glennell, of Mokena, and likes to perch on his owner's shoulder, as evident here.

Holman has a leash for his pet so he can take it for a walk if he chooses. One thing about walking a skunk--there is always plenty of sidewalk room.

One may suppose that a skunk on a leash has been demobilized but doesn't pause to put the question until across the street. According to Holman Stinky eats cat food and is nuts about lettuce.

A PAINTING LESSON - Mrs. Leo Marcoux has been teaching art classes for more than a year in the Mokena - New Lenox area. Classes are held on Wednesday and Saturday.

Mrs. Marcoux is a portrait painter by profession. She studied at the Chicago Art Institute and spent several years with Tunis Ponsen and Oskar Gross, well known Chicago painters.

Her students paint in oil. A class for beginners will start in the fall.

In the picture above are the following students from left to right; Frances Robinson, Vera Richardson, Verna Gratrack, Jeanie Lawson (model), Helen Martin and Patricia Marcoux, instructor.

In the picture below are Helen Martin and Mrs. Marcoux. (Graphic Newspapers Photo).

(Behnke photo)

Kay Frances Maue Becomes Bride Of James P. Miller

St. John's United Church of Christ in Mokena was the setting for the marriage of Miss Kay Frances Maue and James P. Miller, which took place Saturday, Aug. 7.

The bride, daughter of Mr. and Mrs. Owen C. Maue of Tinley Park, and Mr. Miller, son of Mr. and Mrs. Murray L. Miller of Normal, exchanged vows before an altar decorated with white gladioli and mums. The Rev. Sackman officiated at the double ring ceremony.

Miss June Swanberg of Mokena was the organist, and played traditional wedding selections. She accompanied Richard Gillette as he sang, "I Love You Truly", "Because", and "The Lord's Prayer."

Escorted down the aisle by her father, the bride wore a floor length gown of white peau-de soie with long tapering sleeves of lace. The rosepoint lace bodice was accented with seed pearls at the neckline. Her controlled skirt featured a bow at the back waistline from which flowed a detachable chapel length train of peau-de soie with lace edging. Her fingertip veil of silk English illusion was held in place by a Swedish crown of seed pearls and crystals. She carried a bouquet of cymbidium orchids and miniature white carnations. Her only jewelry was an heirloom necklace worn by the bride's mother on her wedding day.

Mrs. Gilbert B. Tosch of Mt. Prospect, former college roommate of the bride, was matron of honor. She wore a floor length, soft aqua gown of silk faced shantung. The elegantly simple dress featured front and back panels that exposed a lustrous sheath. A large bow complemented the waistline in back. Her matching aqua

headpiece was a double flower attached to soft netted petals, which were adorned with pearl trim. She carried a basket bouquet of miniature white carnations.

Miss Karen Blank of Mokena, life-long friend of the bride acted as bridesmaid. Junior bridesmaid was Miss Nancy Miller of Normal, sister of the groom. Their gowns were identical to that of the matron of honor.

The bride's mother wore a beige lace dress with matching accessories. The groom's mother wore a light blue dress of silk shantung with matching accessories. Adam Szluha of Peoria, college friend of the groom

was the best man. Ushers were Arthur H. Maue of Garden Prairie, brother of the bride, and Thomas Miller of Normal, cousin of the groom.

Mrs. Arthur H. Maue, sister-in-law of the bride, registered the guests as they arrived at the church.

After a wedding trip of central and southern Indiana, the couple will reside in Onarga. The bride graduated from Illinois State university and will be teaching in the business department in Gilman high school. Miller graduated from Bradley university and will be teaching in the science department in Gilman high school.

Pre-Natal Classes To Be Held At Joliet Hospitals

ST. JOSEPH

A pre - natal course designed for both husband and wife will be given on five consecutive Thursday evenings at 7:30 in the St. Joseph hospital auditorium, 333 N. Madison street, Joliet beginning Sept. 9.

Instructors are from the hospital staff and school of nursing faculty. Registration is free of charge and may be arranged by calling (area code 815) 725-7133, Extension 746.

The course includes lectures on the Anatomy and physiology of pregnancy, labor and delivery, anesthesia and analgesia in labor and delivery, techniques of relaxation, care of newborn including a demonstration of baby bath and a demonstration of formula preparation and discussion of breast feeding.

A tour of the hospital OB Department on Oct. 7, will conclude the six sessions.

Teens A Go Go Fashion Show At Behnke Studios

Behnke Studios, 7800 W. Lincoln highway, will present Teens A Go Go, Wednesday and Thursday evenings, Sept. 15 and 16, starting at 7 o'clock. Because of the large crowd expected, guests are advised to call for reservations, 815-469-5600.

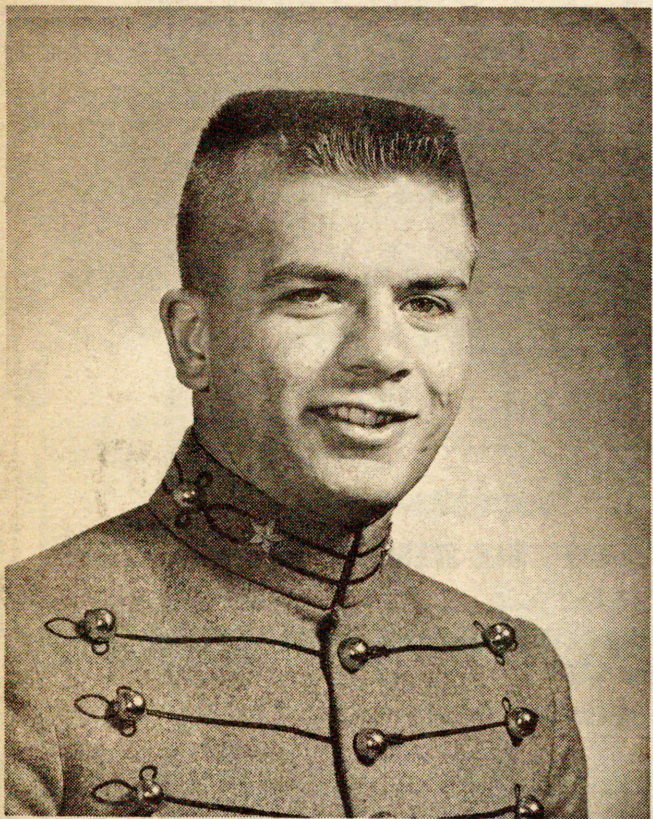

There will be no admission charge but attendance is restricted to high school upper classmen.

Teens A Go Go will be a complete fashion show, introducing the latest in teen fashions (male and female); make up and hair styling and newest techniques in formal and informal posing of teens with that go go look.

The girl models are from Homewood-Flossmoor high, Collin Gillerlain, Nancy Morgan, Beverly Coulter and Judy Menke. The male models, Mike and Rick Seitsinger, are from Lincoln-Way high. The models will be guests on the Jerry Halas "Top 40" program on WJOL-AM, Monday, Sept. 13. The program is broadcast from 8 to 9:30 p.m.

Mr. Behnke, whose creative portraits have won him fame, will display several award - winning prints that have brought in national and international acclaim.

The affair will be informal. There will be refreshments.

CADET PAUL F. MLAKAR, son of Mr. and Mrs. Frank Mlakar of 141 West Francis Rd., New Lenox, has been appointed a cadet captain at the U. S. Military Academy and will serve as brigade operations officer during the 1965-66 academic year.

As operations officer, Cadet Mlakar assists and advises the brigade commander in operations and military training within the more than 3,000 man Corps of Cadets.

A 1962 graduate of Lincoln-Way high school Cadet Mlakar expects to graduate June 8, 1966, with a bachelor of science degree and a commission as a second lieutenant in the Regular Army. He was appointed to West Point by the late Representative Noah M. Mason of Illinois' 15th District.

To Dedicate Nuclear Reactor

A history-making nuclear power reactor and its adjacent fuel reprocessing and refabrication facility will be dedicated Monday, Sept. 13, at the Atomic Energy Commission's National Reactor Testing Station, 50 miles west of Idaho Falls, Idaho.

The nuclear power plant-Experimental Breeder Reactor II (EBR-II) - and its highly-automated Fuel Cycle Facility (FCF), were designed and built by Argonne National Laboratory.

EBR-II, a reactor which "breeds" more fuel than it consumes at the same time it is producing electricity, already has contributed large amounts of data to the AEC's program for the development of fast breeder reactors, a type expected to play a leading role in supplying America's future power needs.

The Fuel Cycle Facility, first of its kind to go into operation in the United States, is so highly automated that processing of the intensely radioactive fuel from the core of EBR-II can begin only 15 days after the fuel is removed from the reactor. It is the most radioactive fuel, per pound, ever put through a reprocessing cycle.

Location of the fuel processing and fabrication facility adjacent EBR-II reduces fuel cycle costs by eliminating the expense of shipping the fuel, by rail, to a distant reprocessing plant and by greatly reducing the inventory of fresh fuel required to keep the reactor in operation.

Dedicatory ceremonies for the pioneer nuclear team will begin at 10 a.m. on Monday, in the turbine-generator room at the EBR-II complex. Dr. Albert V. Crewe, Director of Argonne, will preside.

Principal speakers will be U. S. Representative Chet Hollifield (D. Calif.), Chairman of the Joint Committee on Atomic Energy, and AEC Commissioner Gerald F. Tape.

Other speakers will be the following: Dr. George W. Beadle, President, The University of Chicago; Dr. Stephen Lawroski, Associate Director of Argonne; Leonard J. Koch, Director of Argonne's Reactor Engineering Division, and Myron Novick, Director of Argonne's Idaho Division.

Argonne National Laboratory's main site is located 25 miles southwest of Chicago. The Laboratory's Idaho Division currently operates four reactors and employs more than 300 people at the National Reactor Testing Station.

One of the nation's principal facilities for research in and development of the peaceful uses of nuclear energy, Argonne is operated by The University of Chicago for the Atomic Energy Commission.

Cadette Girl Scouts Enjoy Outing In Dunes

MRS. EDWARD HOVI
Telephone: 479-5740

The Cadette Girl Scout Troop had an abbreviated campout at the Indiana State Sands Dunes from Aug. 25 thru Aug. 27, when it was decided that the girls should return home to prevent many worried mothers and fathers from coming to retrieve them.

The girls had a fine time in spite of its short nature with a beach party on the first night, Wednesday.

There was also a five-mile hike around the dunes, which the girls did manage to get in before returning home. All in all it was a good time for all.

The baseball father-son spaghetti dinner Aug. 21 was quite successful. The trophies were awarded to the boys chosen by the managers of each team.

Two trophies were given to each team of older boys and one to each team in the farm team category. In the A Team of nine to twelve year olds, under the managership of Foster Tekotte, the most valuable player was William Roach and the most improved player was Albert Behnke. Honorable mention was given to Darrell May.

On the B Team of nine to twelve year olds, under the managership of Joe Mangan, the most valuable player was Paul Homer, and the most improved player was Harry Kronick. The honorable mention was given to Joe Arcuri.

On the Babe Ruth Team of 13 to 15 year olds, under the managership of Ed Hovi, the most valuable player was

The speaker will be the Rev. K. Imotemjen Aier of Nage-land.

The Fall Business Meeting of the Marley Church will be held at the church on September 12 following a pot luck noon dinner. Rally Day and Promotion Sunday will be on September 26th at the Marley Church.

Lee Williams and the most improved player was Dave Homer. The honorable mention for most valuable player was Vaughn Karkos, and the honorable mention for the most improved was Joe Henderson.

On the Farm Team of eight year olds, under the managership of Joe Henderson, the most valuable player was given to Jim Froehlick, with honorable mention going to Michael Hovi and Frank Setter.

On the Farm Team of eight year olds, under the managership of Bud Cumbee, the most valuable player award was given to Johnny Cumbee, with the honorable mention going to Jerry DeVries and Gregory Heise.

The first meeting of the Baseball league for the fall will be held at the school on Tuesday evening, Sept. 14, at 6:30 p.m. The fathers are to bring their sons to the meeting to be shown films of the roller derby. If the fathers are unable to attend because of work or other important matters, the boys may still attend the meeting.

The Teens club will hold its first meeting of the new season at the school on Monday evening, Sept. 20. Residents of the Summit Hill school district, now attending school and are between the ages of 13 and 18 are eligible to join the organization. Dues are payable on a semi-annual basis of \$1 per six months.

Francis and Carolyn Crones of 9402 West Ashave, became the parents of their third son on Sunday morning, Aug. 29 at Silver Cross hospital, Joliet. Young Master James Roger Crones had the good sense to postpone his arrival until after the roads had been cleared from the storm.

He weighed in at a husky nine pounds 12 ounces at birth, and returned home after the usual time off for mother to his two older

Emma Scott Dies Suddenly; Rites Sept. 5

Mrs. Emma H. Scott, age 70, died suddenly Thursday, Sept. 2 in Silver Cross hospital. Born at Mokena Oct. 28, 1894, daughter of the late Henry and Caroline Voss, she resided in Frankfort township until 1955 when she and her husband Joseph moved to New Lenox where they farmed.

She was a member of Royal Neighbors of America, Marguerite chapter, O.E.S. and Busy Homemakers of America. She is survived by her husband, Joseph, and three brothers, Gilbert of Joliet, Henry of Blue Island, Milton of Chicago; also numerous nieces and nephews.

Removal was to Baskerville chapel, Lincoln highway and Roberts rd., New Lenox with funeral services at St. Peter's United Church of Christ, Frankfort, Sunday Sept. 5 at 2 p.m. with the Rev. LaVern Smith officiating. Interment was in St. John cemetery, Mokena.

brothers, Jeffrey who is ten, and Johnny who is seven, and his older sister Lori Ann who is four.

Sorry for the interruption in the column, but after over four years, the Hovi Family, too, needed a vacation. We missed the storm and all the excitement, thank goodness, but has anybody seen a red shingled roof in their travels? We were only one of the very many.

In spite of all, we had an enjoyable week in New York visiting Grandma and Grandpa Hovi and assorted Hovi children and grandchildren. Some sightseeing was also thrown in for good measure.

With four days of car travel and camping added to the trip, it was a great break in routine. So for another four years.

We have celebrities in our midst, the William O'Neill family on Oak Street had Jack Mabley of the Chicago American, as a breakfast guest last week. He came following a talk with Mr. O'Neill on the telephone concerning our storm condition in Arbury Hills.

New Pastor Gives First Sermon At St. John's

Telephone 479-3521

The Rev. Laslo Hunyady, new pastor of St. John's United Church of Christ at Mokena, preached his first sermon last Sunday, Sept. 5. Formal installation of the new pastor is scheduled for Oct. 3.

The Rev. Mr. Hunyady was called to fill the vacancy created thru the resignation of the Rev. Theodore Wimpler several months ago to accept a new charge and teaching position at Litchfield, Mich.

The new pastor and his wife and their two children, Sheila, 8, and Dean, 6, have moved into the St. John parsonage. They came to Mokena from Forest Park where the Rev. Mr. Hunyady was pastor of the First United Church of Christ. He is a native of Pennsylvania and is of Hungarian descent.

The September meeting of the Women's Fellowship of St. John's church Sept. 9 will be presided over by the newly elected officers. Mrs. Willis Schiek is the president. The other officers are: Mrs. Robert De Forest, Sr., vice-president; Mrs. George Sangmeister, treasurer; Mrs. J. James Wrath, secretary; Mrs. James Horras, financial secretary, and Mrs. William Steenn, Mrs. Lloyd Leyerle and Mrs. John Hansen, publicity chairmen. Mrs. Roy Richardson will be in charge of devotions.

At today's meeting of the Women's Fellowship a reception will be given for the new pastor and his wife, beginning at 1 o'clock.

The Mokena Methodist church has gone back on its fall schedule. Church school, with classes for all ages, begins at 9:30 a.m. and morning worship is at 10:45. A nursery is provided for the use of parents who wish to attend the regular worship service.

The annual church school picnic of the Mokena Methodist church is to be held this Sunday, Sept. 12 at the Mokena Community park, beginning at 3:30 p.m. Ice cream, pop and coffee will be provided. There will be recreation, food, fellowship and campfire signing in the evening.

The Veterans of Foreign Wars Auxiliary of William Martin post, Mokena, is sponsoring a public card party this Saturday night, Sept. 11, in the VFW hall on Wolf rd. Play is scheduled to begin at 8 o'clock. Hostesses will be Mrs. Russell Stankus, Mrs. Robert Karlson, Mrs. Buford Humfeld and Mrs. Lillian Conway.

The Goodwill Industries truck will make pick-ups at Mokena Sept. 9 and 23.

Repairable articles of clothing, appliances and small furnishings are needed. Persons who would donate items may call for a pick-up by dialing 815-722-5189.

Members of the Women's Auxiliary of the Mokena Volunteer Fire Dept., are sponsoring a bake sale this Friday, Sept. 10. The sale is scheduled for 5 p.m. and will be held in the Tuttle Gift shop on Front street.

Ag. Dept. Adopts Lower Rates For Grain Storage

The reduced storage rates announced recently to be paid on older stocks of grains will result in estimated savings in excess of \$15 million during the first year, the U.S. Department of Agriculture has announced. The new rates will apply equally to grains in commercial storage and under resale price support loans in farm storage. The rate reduction followed an extensive and careful review of the storage rate structure, which indicated that length of storage period could be a basis for a rate reduction.

Warehouses receiving storage payments on Government stocks for continuous longer periods of time have been able to amortize their costs, thus permitting some reductions in the rates to be paid them because of their longer-term earnings.

According to Edw. J. Meagher, chairman, Illinois Agricultural Stabilization and Conservation state committee, the reduced rates will apply to

farm-stored grains from the 1963 and earlier crops placed under resale for the 1965-66 storage period. Resale loans for 1964 crops will earn a higher rate.

The chairman explains that a simplified method of computing resale payments is being initiated this year. Storage payments for resale will be based on units of 100 bushels. Annual payments for the full storage period will be for the nearest number of whole units, computed on the quantity under loan. When a commodity

in a bin is delivered or redeemed, final settlement will be based on the units and tenths of units determined to have been in the bin.

When resale grain is delivered or redeemed before the end of the storage period, the storage payment will be based on months in storage rather than days, as in previous programs. Therefore, the storage rates for resale are expressed in per unit per month or per year.

The new rate for 1964-crop corn is \$1.095 per unit per month of \$13.14 per unit

per year.

Under the new concept of a reduced rate for the second resale storage year, the rate for 1963 and prior crop corn is \$1.004 per unit per month of or \$12.045 per unit per year. These rates represent the same rates as those for commercial storage. Grain stored in a warehouse will earn the higher current rate of storage thru the first full calendar year following the year of deposit. After that, it will earn the lower rate just as in the case of farm-

storage resale.

The department announced that it will continue to study the storage rate structure in light of the need to keep carrying costs of the farm

surplus as low as possible consistent with maintaining a strong and stable storage industry which provides an essential service to agriculture.

Inland Steel Starts New Container Plant At Alsip

The world's largest steel container manufacturing plant is moving -- lock, stock, and workforce -- to Alsip, Ill., southwest

of Chicago, from the Clearing manufacturing district in Bedford Park, also a Chicago suburb.
J. Daniel Ray, president

of Inland Steel Container division of Inland Steel company, announced that construction of a 400,000-square-foot plant and office building began Sept. 1 in Alsip. The 39-acre site of the new plant is between 129th and 131st streets at the Cal-Sag Channel, about 10 miles from the present plant at 6532 S. Menard.

All manufacturing operations at the Clearing plant will be moved to the new site as will Inland Steel Container's general offices. Total employment at the new site will be the same as at the Clearing district -- about 500.

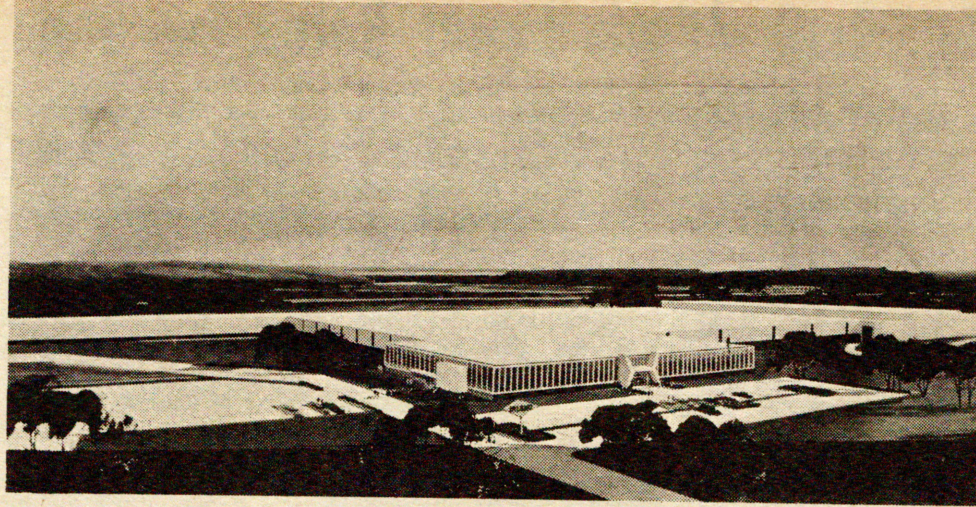

"It is our hope and expectation that all of our present employees will make the move with us," said Ray.

Transfer of manufacturing operations and general office activities is scheduled to be completed in the fall of 1967. The division also operates manufacturing plants in Jersey City, N.J.; New Orleans, La., and Cleveland and Greenville, Ohio.

Maximum annual capacity of the production lines at the new Alsip plant will be 10 million 2 - to 65 - gallon shipping containers. At that peak rate the plant would consume 100,000 tons of steel a year. Principal markets for the containers are the petroleum, paint, chemical specialties, and food industries.

The Alsip site was selected from among 30 sites studied in a survey conducted by the Fantus Company, Chicago, plant location consultants.

Office space at the new site will total 40,000 square feet on two floors of a glass-walled structure. The manufacturing section of the building will be all steel. The plant will be 760 feet long and 400 feet wide with a 360-foot train shed providing 12 car spots under roof. Stalls for 14 truck trailers will be provided in the building.

LARGEST STEEL CONTAINER PLANT in the world will be built by Inland Steel Container Co., division of Inland Steel Co., between 129th and 131st streets at the Cal-Sag Channel in Alsip, Ill., southwest of Chicago. Plant and office space will total 400,000 square feet and will house manufacturing operations and Inland Steel Container general office functions now located in Clearing Manufacturing district of Bedford Park, Ill. Plant will produce up to 10 million 2 - to 65 - gallon shipping containers beginning in late 1967.

Will County GOP To Picnic Western Style

Will county Republicans are mapping plans for the annual county Republican picnic scheduled for Saturday, Sept. 11, at the Triple-R Ranch in Frankfort township.

The 1965 GOP outing will be directed by James Hall, Plainfield, administrative assistant of the county Republican central committee, according to Thomas Feehan, Republican county chairman. Meade Baltz, Joliet, state representative from Will county from 1961 thru 1965, will serve as Hall's co-chairman.

A new feature will be included in the day's activities in the form of quarter-horse racing. The Triple-R Ranch is owned by Thomas McKay, an attorney. McKay raises quarter horses on the ranch.

Activities will commence at 1 p.m., Hall indicates. Games and prizes are planned for the younger set.

A brief formal program will begin at 3:30. Congressman John N. Erlenborn, 14th Congressional District, will be the main

speaker.

A western style barbecue dinner will be served from 4 to 6 p.m. Refreshments will be available thruout the afternoon and evening.

Hall appointed the following committee chairmen: State Rep. Robert Blair, Park Forest, hospitality; Thomas Feehan, Joliet, invitations and speakers; Herbert Senning, chairman of the Lockport township republican committeemen, refreshments; J. Marton West, Crete supervisor, finance; George Tate, Frankfort supervisor, grounds and decorations; Roy Hassert DuPage township, county board

of chairman, prizes; Arthur Lennon, chairman of the Joliet township committeemen, and Boyd Bucher, Lockport, county superintendent of schools, tickets; Kenneth George, Jackson township committeeman, ticket booth; John Forbin, Joliet township committeeman, parking; Jean Freeburg, Joliet, Republican county chairwoman, publicity; Joan DeMuth, Monee, president of the Will county Republican workshops, games and prizes; Clara Hartley Woodard, county clerk, Joliet, food.

Tickets for the picnic are \$3.50 per person. There will be no charge for children under 12 years of age. Tickets are available from any GOP committeeman or County official as well as at Republican headquarters in the Woodruff Hotel in Joliet.

Power Firm Will Give Courses On Heating

Commonwealth Edison Co. will hold electric space heating courses this fall at five of its headquarters buildings in Chicago and suburbs. Locations and starting dates for the courses are:

3500 N. California Ave., Sept. 15.
1-N-423 Swift rd., Lombard, Sept. 21.
1701 S. First ave., Maywood, Sept. 23.
51 W. Jackson st., Joliet, Oct. 5.

5059 W. Polk St., Oct. 6.
The courses will consist of six two-hour sessions. Each meeting will be conducted by Edison heating specialists. Their agenda

will cover the design and operating cost of electric heating systems, information about new equipment and data on types of insulation and their installation.

This is the eighth season that the courses have been offered. Over 1,500 architects, engineers, contractors and others interested in the design, installation and operating of electric heating systems have successfully completed the courses since the program began.

Applications or inquiries about the courses should be addressed to the nearest school location. The registration fee is \$10.

School Opening Adds To Motorist's Responsibility

With the approach of another school year, Gov. Otto Kerner has joined with Gerald W. Cavanagh, president of the Chicago Motor club, in stressing the need for added alertness and responsibility on the part of all motorists in Illinois.

More than one million school children in Illinois will return to classes during a two week period starting Aug. 30 and officials urge drivers to exercise extreme caution when driving in the vicinity of schools.

In proclaiming the period from Aug. 30 to Sept. 10 as "School's Open Safety Period," Gov. Kerner reminded drivers that the excitement of returning to school is bound to make many of the youngsters forgetful of some of their safety habits. The

governor's proclamation also pointed out that for many of the youngsters this will mark their first time at school, a situation which could make them careless when it comes to crossing streets and playing on the way to and from classes.

He added that the school safety patrol, created in Illinois in 1920 by the Chicago Motor club and continuously sponsored by the club ever since, will need the cooperation of all motorists in order to perform its lifesaving work.

Cavanagh said that the safety of school children also depends a great deal on proper home education. He said parents have the responsibility for teaching their youngsters to be cautious and safe pedestrians.

Sept. 1, 1939—For the sec-
ond time in 25 years, Europe
was plunged into war as Ger-
many broke the peace. At
dawn, without any formal de-
claration of war, Germany in-
vaded Poland.

Sept. 2, 1945—The Japa-
nese signed the terms of un-
conditional surrender ending
World War II aboard the
United States battleship Mis-
souri in Tokyo Bay.

Sept. 8, 1935—Senator Huey
("Kingfish") Long of Louisi-
ana was fatally shot at the
State House, Baton Rouge, La.
by Dr. Carl A. Weiss, son in-
law of a Long political op-
ponent.

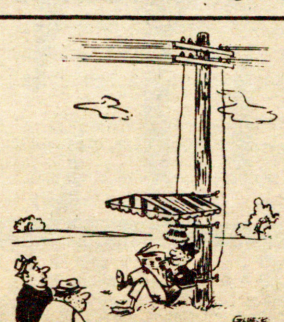

Sept. 10, 1927—An Ameri-
can meat-packing firm came
up with a "first"—a frank-
furter with a zipper.

Sept. 12, 1922—The Protes-
tant Episcopal House of Bish-
ops voted 36 to 27 to take the
word "obey" out of the mar-
riage ceremony.

Sept. 22, 1927—Five radio
fans dropped dead of heart
failure awaiting the results of
the controversial "long
count" in the seventh round
of the second Tunney-Demp-
sey heavyweight boxing
championship.

Sept. 28, 1904—New York
police arrested a woman on
Fifth Avenue for smoking a
cigarette.

Sept. 28, 1937—FDR dedi-
cated Bonneville Dam on the
Columbia River in Oregon.

Time For
Farmers'
'Idea Crop'

It's harvest time already
for Illinois farmers. The
crop is ideas.

Each year in July and
August thousands of farm
families devote many hours
to discussions of things of
importance to agriculture
and rural living -- taxes,
farm programs, farming
costs and prices, to name a
few.

These discussions are the
first step in the development
of policy positions for Farm
Bureau, the organization
consisting of the great ma-
jority of Illinois farmers.
